November 10, 1926.

Hon. Thomas J. Walsh,
50 Bay Street,
St. George, S. I.

My dear Senator:-

After looking through our records we do not find the name of John J. Hand as ever having been in the department. In order that there could be no mistake I have checked up with the records of Troop "A" in Batavia and no one of that name was ever there.

Regretting that under the circumstances there does not seem to be anything that can be done, I am,

Yours very sincerely,
John A. Warner
John A. Warner
Superintendent.

My dear Mr. Kingman:-

Your man must be in error as to Hand's or Land's ever having been connected with the State Troopers. However, if he can get any accurate information as to his man I shall be glad to take the matter up with Major Warner for the third time.
